Established in 1913, Mount Vernon Memorial Estates in Lemont, Illinois features well-established hardwood and pine trees, as well as shrubs, bushes, and well-maintained flowerbeds. These plots are on a premium site located across the street from Cog Hill Golf Course. These eight grave sites were purchased by my grandparents and are located near the entrance of the cemetery in Devotion Block 2 Lot #20- see red and yellow section on marked map. We are hoping to sell in blocks of 4, but that is negotiable. Grave spaces are single depth. They allow for one casket and one urn or just 2 urns. These plots are listed at the cemetery for \$2900.00 each. We are looking to sell these at \$1700.00 each, or 4 for \$5,500 or all 8 for \$10,000. Price is at substantial discount vs. cemetery's pricing. There is a \$199.00 cemetery fee for each deed transfer transaction.
