Listing ID: 20-1215-4 Garden: Garden of Devotion Section: 1 Lot(s): 44
Grave Site Number(s): 4 individual adjoining spaces

Location under the arch to the right. My grandparents had purchased 6 individual spaces, 2 of which they occupy, Rev. Carl J. BUICE. Your loved ones would be adjacent to two loving good people, marriage of 65 years. My grandparents have an above ground granite tombstone which would make it easy for you to identify should you place flat bronze plates. Melwood has valued these lots at \$2395 each. I am selling at \$1500 each, a gracious discount from value price. There are 4 spaces remaining, total sales price of \$6000.00. Love and prayers to your family...Melwood is a perpetual care cemetery which means they maintain the grounds from their trust fund. Thus, no costs to you for grass cutting.
