The Old Rugged Cross section is the most desirable section at Chapel Hill Gardens West Cemetery in Oakbrook Terrace, Illinois. We live on the west coast now & can't use them for our own needs. The current cemetery price for one site in this section is \$5,795.00. Three of the Lots I own (# 's, 645-647) have 6 side by side sites per lot that I'm selling for \$1400.00 per site plus transfer fees, with discounts on the purchase of multiple sites. One lot (#648) has 12 side by side sites for \$1400.00 per site, or \$12,000.00 plus transfer fees for all 12 sites in that lot. As an option, I would sell all 30 sites in all 4 lots for a total of \$27,000.00, plus the transfer fees, a huge discount. Located 18 miles west of Chicago, Chapel Hill Gardens West Cemetery with it's beautiful lawns, trees and colorful shrubs and plants, provides a lovely, warm and reverent site to honor the memory of your loved one.
