About this Cemetery Property

These plots are in the north side of the cemetery, not far from the funeral home and chapel. They are near the lane which is a circle and are in a section that is completely sold out. This section was opened in the 1950's so it does have old trees and hedges. All markers are flat in the ground. Double Depth is permitted but dependent upon the substructure since Nashville lies atop a limestone foundation. The property and roads are well maintained. Current cemetery retail is \$9,000.00. Available for Immediate Need.
