About this Cemetery Property

The completely sold-out Starlite Terrace is one of the earliest sections of the cemetery. It is on top of the hill overlooking the whole memorial park with a view from the Palos Verdes Hills all the way to the harbor. It is a beautiful and peaceful setting at the eastern end of the Palos Verdes Peninsula. The spaces are singles however the buyer has the option of converting them to companion spaces after the sale. Here is a unique opportunity to have two single spaces side by side in a rarely available location at a cost similar to a single plus companion conversion.
